Company Summary

Spotless Floor Services stands out as a premier service-disabled veteran-owned business specializing in comprehensive floor care and building maintenance. Our services span carpet cleaning, floor installation, repair, delivery, and emergency water extraction. With a proven five-star track record across various cities and states, we cater to a broad client base including residential, commercial, and government agencies. At SFS, we integrate eco-friendly practices with advanced technologies like our QuickMeasure laser systems to provide efficient and reliable solutions. These are meticulously tailored to meet the stringent demands of our diverse clientele, ensuring exceptional quality with a steadfast commitment to sustainability and safety.

Entire Home Renovation - Services performed:

Painting • Custom trim • Floor sourcing/delivery • Floor installation • Floor sanding • Deep cleaning
